

## WHO IS FAGOR?

Integrated Appliance group are proud to be the Australian distributors of Fagor. Fagor Appliances are the market leaders in Spain and France. They are the world leader in induction and pyrolytic (self cleaning) technology. Fagor is one of the world's largest appliance groups with over 3.5 billion dollars in sales. The Fagor brand is currently present in 100 countries, employs more than 12,000 people in 17 countries and operates 16 factories in 3 continents.

Fagor Commercial has been operating successfully in Australia for over 23 years and we are happy to be able to bring the same level of quality appliances into the domestic market. Fagor Australia was launched very successfully in mid 2008 and is available across Australia at a wide range of kitchen and appliance retailers. Fagor product is backed by a national service team and a full Two Year Warranty and the option of an Extended Five Year Warranty.

Fagor Appliances have been developed for the discerning buyer who is looking for cutting edge design matched with the latest technology. Fagor are firmly committed to the protection and sustainable development of the environment. With this goal in mind, they aim to reduce the water and electricity consumptions of their products.

The Fagor range is developed so that all the products have the same aesthetics and will match perfectly in your kitchen design. Each product is designed to be easier to use, easier to clean and will improve the quality of your cooking and the quality of your time in the kitchen.
